

# ZAMBONI ELECTRIC POWER EDGER

THE POWER TO PERFORM

## GET AN EMISSION-FREE EDGE WITH THESE FEATURES:

- Powerful electric motor easily handles the power edger's
- 18" inch cutting path.
- Eight sided ¼" (.64cm) thick carbide cutters
- Contoured snow chute with deflector directs snow to center of ice, not on boards or operator. Adjustable board guide is standard.
- Heavy duty steel plate body and runners provide stable control with reduced wandering. Baked-on powder coat paint with zinc electroplating is used throughout for corrosion protection.
- Large rubber wheels are permanently mounted for easy on and off ice handling.
- Same great Zamboni® power edger performance without the exhaust emissions.
